FORM 990-EZ

NOTE 1 – PRIMARY EXEMPT PURPOSE

Special Friends, Inc. ("SFF") was incorporated in March 1997 to assist children suffering from genetic disorders, such as Rubinstein-Taybi Syndrome ("RTS"), and their families. With the birth of one of these special children, a family is confronted with the immediate and, often overwhelming needs. Many of these disorders are not recognized through prenatal testing. Medical practitioners are often inexperienced in the diagnosis and treatment of these special children. Families need support, current and encouraging information about the complex medical condition they confront, coordinated access to knowledgeable medical specialists and major medical centers, and financial aid.

SFF will assist these special children and their families in obtaining medical and support services; serve as a liaison among medical professionals, medical intimations, patients, families; support research into these genetic disorders, their diagnosis, and development of treatments; and, promote education of, and dissemination of information to, patients, their families, medical professionals, and others.

SFF is establishing an alliance with the Hospitals for Special Surgery ("HSS") in New York City to identify and recruit medical professionals with expertise in treatments for children suffering from RTS and other disorders; to provide such services on a reduced or no fee basis; and, to evaluate and address the financial need of patients and their families. Together with HSS and others, SFF will identify and fund medical research into RTS and other disorders.

In addition, SFF plans to distribute to medical professionals documents from a recent University of Cincinnati conference on RTS; to support organizations that compile and maintain database related to rare genetic disorders, including the University of Cincinnati's compilation of medical experts who treat these disorders; and to support organizations and networks that identify patients and provide counseling, education, and other support to patients and their families.
